Attention: Mr. H. E. Haenke

Dear Mr. Lambie:

On December 21, 1967, you distributed notices that the "Laurel Canyon Addition No. 7" which detached property from the City of Beverly Hills and added it to the City of Los Angeles had been completed. You indicate further that this also detached territory from the Beverly Hills Unified School District and added it to the Los Angeles Unified School District. This boundary change between the school districts was apparently not carried out in the manner prescribed in the Education Code, and should not be consummated.

Education Code Section 2305 authorizes the inclusion of a school district boundary change in an action to change the city boundaries when there is written agreement from the governing boards of the two school districts. Neither the Governing Board of the Los Angeles Unified School District nor the Governing Board of the Beverly Hills Unified School District has taken any such action. In fact, the petitioners have not requested these agreements.

This failure on the part of the petitioners in my judgment invalidates the boundary change.

I respectfully request that you withhold the certification of this boundary change to the State Board of Equalization until the petitioners have corrected the flaw in their proceedings.

Sincerely yours,

RICHARD M. CLOWES
Superintendent
